Coding Challenges Details:

Program 1:

```c
#include <stdio.h>

void triangular_series(int n)
{
                    for (int i = 1; i <= n; i++)
                        printf("%d ", i*(i+1)/2);
                    printf("\n----------------------------\n");
}

int main()
{

                    int n ;
                    printf("Enter value for n\n");
                    scanf("%d",&n);
```

```
        triangular_series(n);

        return 0;

}
```
